Additional Information:

Lighting and Power Technologies LLC is a professional electrical lighting manufacturer headquartered in Plano, Texas with state-of-the-art manufacturing facilities in China. For the past 34 years, the company has focused on the production of high-end electrical lighting products for the USA and European markets, branding American private label products and supplying the largest lighting technology companies in the United States.

With an emphasis on R&D and customer support, our over-seas facilities have been recognized as the gold standard domestically as well as abroad. Our factory holds numerous certifications and houses a UL testing facility on-site and is among the largest electrical ballast manufacturers.

Lighting and Power Technologies LLC carries an array of electrical lighting products including a full range of Watran LED Drivers, LED Fixtures, Deltek Magnetic HID Ballasts, E-HID Ballasts, Electronic Fluorescent Ballasts, Compact Fluorescent Ballasts, and LED commercial, industrial, and utility lighting fixtures ready for shipment worldwide.
